TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

In Dickens Land

Raphael Tuck & Sons' "OILETTE" [Regd.] Postcard 1163.
ART PUBLISHERS TO THEIR MAJESTIES THE KING & QUEEN.

Maidstone. Maidstone has been considered by many Dickens students to be the original Muggleton. The old town and its environs were very dear to the heart of the great writer. "I have discovered (he wrote in 1856) that the seven miles between Maidstone and Rochester is one of the most beautiful walks in England." The tower seen is that of the parish church, one of the largest in England.
